Squadron, Chin Battle for “Best Cook” Title

State Senator Daniel Squadron and City Councilmember Margaret Chin participated in a cook off at the Chinese-American Planning Council (CPC) Chinatown Senior Center.

Squadron and Chin both cooked stir fry chicken with celery. Seniors and staff at the CPC Senior Center ended the cook-off declaring a tie!

Squadron worked with CPC to restore gas earlier this year at the Center after a months-long gas outage that required the Center to have meals delivered. CPC’s Chinatown Senior Center

provides lunch, multi-lingual case management assistance, and recreational activities to seniors throughout the community.
