| ISSUE: **HIGHER EDUCATION**

(Albany, NY)-Senator John J. Bonacic (R/C/I-Mt. Hope) met today with administrators from Fei Tian College, to discuss current issues facing the college, as well provide an update on future projects, including the construction of several education buildings on the grounds of the old Psychiatric Center in the City of Middletown. Fei Tian College is a bilingual (English/Chinese) institution of higher learning committed to the preservation, development, and propagation of traditional arts and cultures. It is located in Deerpark, NY.
