| ISSUE: **COMMUNITY EVENTS**

Fantastic evening! Joined by distinguished guests, engaged community based organizations, talented performing artists, the evening's honorees, and of course the outstanding residents of the 20th Senate District. Great to have opportunity to update the community on the past year in Albany, our plans for the future, and a great opportunity to celebrate the 20th Senate District. Thanks to everyone who made the evening possible and all who were able to join us.
