| ISSUE: **EDUCATION**

Senator Jack M. Martins (R-7th Senate District) recently welcomed students from Munsey Park Elementary School in Manhasset to the State Capitol in Albany.

Senator Martins hosted Mr. Putnam's fifth grade class for lunch in his Albany office and took them onto the floor of the Senate chambers during a recess of Senate session. He also arranged for the group to tour the State Capitol.

Senator Martins (right) is pictured with Mr. Putnam's fifth grade class on the "Million Dollar Staircase" in the State Capitol.
