

NEW YORK STATE SENATOR

Joseph P. Addabbo Jr.

Addabbo Speaks at Press Conference in Support of Legislation to Require GMO Labeling

JOSEPH P. ADDABBO JR. June 2, 2016

| ISSUE: **GMO LABELING**

Senator Joseph P. Addabbo, Jr. recently attended a press event to raise support for Senate Bill S485, of which he is a cosponsor. The legislation would require manufacturers to properly label foods that contain genetically modified organisms, more commonly known as GMOs.
