

NEW YORK STATE SENATOR

John A. DeFrancisco

Senator DeFrancisco Sponsors Electronics Recycling Event in Weedsport

JOHN A. DEFRANCISCO July 15, 2016

| ISSUE: **ELECTRONIC RECYCLING**

On Saturday, August 6th, hundreds of residents from the towns of Brutus, Sennett, Cato and Elbridge were able to properly dispose of their unwanted electronics (computers, TVs and more) by dropping them off at a FREE electronics recycling event, which was sponsored by Senator John A. DeFrancisco in partnership with Time Warner Cable, Sunnking and the town of Brutus. The event was held at the Weedsport Junior-Senior High School, and a portion of the recycling proceeds will benefit Weedsport Central School District athletes who volunteered at the event.
