| ISSUE: [ENVIRONMENTAL CONSERVATION, HUNTING](#)

The New York State Department of Environmental Conservation (DEC) announced today that sporting licenses and Deer Management Permits for the 2016-17 season will be available for purchase beginning August 1. Licenses and permits can be purchased at any one of DEC's license-issuing agents, in person, by telephone, or online. Hunting and trapping licenses are valid for one year beginning September 1, 2016.

Deer Management Permits will be available at all license-issuing outlets or by phone, internet or mail through October 1, 2016. Deer Management Permits, which are used to ensure proper management of the deer herd, are issued through a random selection process at the point of sale. Customers who are selected will receive their permits immediately. The chances of obtaining a Deer Management Permits remain the same throughout the application period - hunters do not need to rush to apply for a Deer Management Permit on the first day of sale. The 2016 chances of selection for a Deer Management Permit in each Wildlife Management Unit are available online, through License Issuing Agents, or the Deer Management Permits Hotline at 1-866-472-4332. Detailed information on Deer Management Permits is available on DEC's website.

The new Hunting & Trapping Regulations guide, which provides an easy to read summary of all pertinent rules and regulations, will be available in August at all license issuing outlets and on the DEC Hunting Regulations webpage along with a list of license-issuing agents. You can also find that list at our online License Center or by contacting the DEC Call Center at 1-866-933-2257.

Starting August 1, the DEC Call Center will be accessible from 8:30 a.m. to 7 p.m., Monday through Friday, and from 9 a.m. to 5 p.m. on Saturdays through October 1, 2016. Regular call center weekday hours (8:30 a.m. to 4:30 p.m.) will resume on October 2.
