Senator Serrano Brings Veterans Services To The Communities Of The 29th Senate District

JOSE M. SERRANO August 5, 2016

| ISSUE: **VETERANS**

Last month, Senator Serrano's off-site constituent hours focused on celebrating, honoring and supporting our veterans. Our office partnered with the U.S. Department of Veteran Affairs, New York State Division of Veteran Affairs and the New York Fire Department (FDNY) to share information about important resources and employment opportunities available to veterans and their families. We were also joined by neighboring elected official's such as Bronx Assembly Member Victor Pichardo, Upper West Side Assembly Member Linda

Rosenthal and East Harlem Assembly Member Robert Rodriguez.

"Always great being with my friends and colleagues Assemblymember Linda Rosenthal, Assembly Member Victor M. Pichardo and Assembly Member Robert Rodriguez as we hold constituent services hours. Many thanks to the New York City Fire Department (FDNY), the U.S. Department of Veteran Affairs, and the New York Division of Veterans' Affairs for being with us this month and helping us connect veterans and their loved ones to the services they need."
