

NEW YORK STATE SENATOR

Catharine Young

Agriculture Investments Will Spur Growth For The Community

CATHARINE YOUNG August 16, 2016

| ISSUE: **AGRICULTURE, FARMING**

“We passed this funding in the state budget so that jobs and economic growth will result from these new agriculture grants. Not only will we strengthen existing farms, wineries, breweries and food processors, but we will be able to maximize new opportunities and innovation. I salute Governor Cuomo for his support for our region.”
