THOMAS F. O'MARA August 22, 2016

| ISSUE: **AGRICULTURE ECONOMY**

The bottom line is that it's yet another way to keep diversifying New York's overall agricultural industry, strengthening it, and trying to provide additional economic opportunities for farmers. Senator O'Mara offers his weekly perspective on many of the key challenges and issues facing the Legislature, as well as on legislative actions, local initiatives, state programs and policies, and more. Stop back every Monday for Senator O'Mara's latest column "From the Capitol..."

This week, "**Foundations for future of N.Y. agriculture**"
