Addabbo to Hold Mobile Office Hours At North Forest Park Library

JOSEPH P. ADDABBO JR. August 24, 2016

Howard Beach, NY (August 24, 2016) In his ongoing scheduling of mobile office hours around the district, Senator Joseph P. Addabbo, Jr. will meet with constituents during mobile office hours in Forest Hills next month.

Addabbo visits each library in his district multiple times per year as part of his commitment to personally assist as many people in his district as possible. The Senator will be at the North Forest Park Library, located at 98-27 Metropolitan Avenue, from 5:30 to 7 p.m. on Thursday, September 1 to meet with residents wishing to talk with him about a problem they may be having or to bring a community issue to light. By holding mobile office hours at different libraries throughout his vast Senate district, Addabbo makes it more convenient for constituents to come to him at a time that is easier for them and a site right in their own community.

“As an elected official, making sure I interact with the people I represent is one of my top priorities,” said Addabbo. “I have always urged my constituents to contact me if I can help them in any way, but it is not always easy for some people to do that during normal business hours. These extended office hours, held at night in various neighborhoods throughout my district, are an excellent way to make sure I am not only reaching as many residents as possible, but also making it more convenient by coming to them. I look forward to another successful round of mobile office hours over the next few months and, as always, encourage

those who need assistance to take advantage of these library visits.”

Additional mobile office hours are being scheduled for future dates and locations throughout the district. For more information, contact Addabbo’s Howard Beach Office at 718-738-1111.
