

NEW YORK STATE SENATOR

Patty Ritchie

## Ritchie Helps Celebrate Grand Opening of New Community Center in Gouverneur

JOHN FRIOT September 23, 2016

State Senator Patty Ritchie recently joined with local leaders to cut the ribbon on a new community center in Gouverneur.

Located in Riverside Park, the community center was built in a joint effort between the town and village. Last year, Senator Ritchie secured \$100,000 in special funding to make the project possible.
