

NEW YORK STATE SENATOR

Thomas F. O'Mara

Senator O'Mara's weekly column 'From the Capitol' ~ for the week of October 10, 2016 ~ 'Our farmers, and our farm communities'

THOMAS F. O'MARA October 10, 2016

| ISSUE: **AGRICULTURE ECONOMY**

According to one Cornell University study, for every dollar spent in agricultural output, an additional \$.43 is generated for non-agricultural industries.

Senator O'Mara offers his weekly perspective on many of the key challenges and issues facing the Legislature, as well as on legislative actions, local initiatives, state programs and policies, and more. Stop back every Monday for Senator O'Mara's latest column "From the Capitol..."

This week, "**Our farmers, and our farm communities**"
