(Middletown, NY)- State Senator John J. Bonacic (R/C/I-Mt. Hope) joined students, administrators, and faculty members from Tuxedo STEM Academy, yesterday, for a ribbon cutting ceremony celebrating the Academy's brand new Haas Mini Mill Machine. The machine is a numerically controlled machine that can mass produce machinery parts, as well as medical devices including replacement hips and surgical devices. Senator Bonacic was instrumental in securing \$35,000 in bullet aid to help with the purchase of the machine.
