| ISSUE: **ELECTION**

Senator Rob Ortt (R,C,I – North Tonawanda) today issued the following statement regarding our President-elect Donald Trump.

“Last night’s election results may have been surprising to the mainstream media, but this has been absolutely consistent with what I’ve heard from my constituents. Voters want demonstrable change and they’re sick and tired of the failed status quo. Whether it’s flawed trade policies at the national level, or an ethically-challenged Governor at the state level, voters are demanding - and deserve - real change at all levels of government. It’s time for legislators to get to work, unite our country, and create jobs across these amazing United States of America.”
