

NEW YORK STATE SENATOR

Statement from Senator Bonacic on the Passing of Woodstock Supervisor Jeremy Wilber

JOHN J. BONACIC January 3, 2017

(Albany, NY)- "I was deeply saddened to learn over the weekend that my friend Jeremy Wilber had passed away. Jeremy was a tireless public servant who always put the needs of his community first. He had a wonderful spirit and a zest for life. I was fortunate to speak with Jeremy a few weeks before he passed, and he continued to serve the people until the very end. My thoughts and prayers are with his family."
