As part of the American Dental Association's "Give Kids a Smile" Day, Senator David Carlucci (D-Rockland/Westchester) partnered with Briarcliff Pediatric Dentistry to provide checkups for local children. Briarcliff Pediatric Dentistry will give a free exam, cleaning, and fluoride typically worth \$310. More than 5 million underserved children receive dental services across the nation on "Give Kids a Smile" Day.

Throughout the entire country, there were over 30,000 dentists and volunteers conducting 1,392 events serving over 291,682 children on Give Kids a Smile Day. Thanks to Dr. Bijoor for being a part of promoting an important cause.
