Akshar Releases Results of 2017 Community Voice Survey

FRED AKSHAR March 21, 2017

| ISSUE: **COMMUNITY VOICE SURVEY**

Senator Fred Akshar this week released the results of his 2017 Community Voice Survey on issues facing constituents across the 52nd Senate District.

“I want to thank the 9,600+ community members for responding to our first Community Voice Survey of 2017,” said Senator Fred Akshar. “The only way to properly represent the people of the 52nd District is for me to actively engage and listen to you throughout the year.”

Earlier this year, Akshar distributed his first Community Voice Survey throughout his district. Responses were collected via mail and his website, Akshar.NYSenate.Gov. Over 9,600 digital and physical responses were received from local constituents weighing in on issues ranging from the Governor's free tuition proposal, legal aid for undocumented immigrants and workers' compensation reform.

"I've traveled across the 52nd Senate District and listened to as many folks as I could, and this survey was another way to stay engaged with the people I represent," said Akshar.

"We've already begun to put our community's opinions into legislative action and make sure their input helps inform my priorities and decisions in Albany. "
