Senator Elaine Phillips (R-Manhasset) recently joined with the Parent Resource Center in honoring Judith Heller Green and Leila Noor Lewis for their many efforts on behalf of children and families in Port Washington. The two women were recognized at the Center's Casino Royale Event in Sands Point.

Senator Phillips presented the two honorees with copies of legislative resolutions she sponsored, which were passed by the State Senate, in recognition of their devoted service to

the Center and their work to improve the lives of others. With passage of the resolutions, their names and record of community service will forever be part of the New York State Senate's official record.
