

NEW YORK STATE SENATOR

Patty Ritchie

Ritchie, SUNY Chancellor Discuss Strengthening Higher Ed In NYS

PATTY RITCHIE March 31, 2017

State Senator Patty Ritchie recently sat down with SUNY Chancellor Nancy Zimpher in Albany to discuss ways they can work together to strengthen SUNY schools across New York State.

A graduate of SUNY Potsdam, Senator Ritchie has been a strong advocate for SUNY schools—especially those in her district—and has worked to make college education more affordable for students and families.
