Bronx, NY - Senator Jeff Klein hosted his 22nd Annual Bunny Breakfast Easter celebration at Villa Barone Manor on Saturday. Hundreds of Bronx children and their families enjoyed a complimentary breakfast followed by a magic show.

The children also had the opportunity to build their own bunny or duck stuffed animals, receive face paintings and pose for photos with the Easter Bunny, who made a special appearance during the event. Throughout the hour-and-a-half Easter extravaganza, a DJ played the latest pop hits, as children and their families danced.

“My annual Easter Bunny Breakfast is a special event where children and their families can celebrate the holy season together with a delicious breakfast and entertainment. I’m always proud to host this wonderful celebration, which is now it its 22nd year. It’s a memorable day for everyone involved and I’m already looking forward to next year's event,” **said Senator Jeff Klein.**
