

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

Senator Stewart-Cousins at the Long Beach Press Conference

ANDREA STEWART-COUSINS February 16, 2017

| ISSUE: **ENVIRONMENTAL CONSERVATION**

Long Beach, NY - On February, 16th, the Senator joined her colleagues in the New York State Senate Democratic Conference on Long Island to unveil new bills that will protect the quality of New York's water and the health of all New Yorkers.

With the #Trump Administration pledging to gut environmental protections, New York State has a responsibility to step up and defend our natural resources - and that's exactly what the Senate Democrats are doing.
