STATEMENT FROM SENATOR GEORGE AMEDORE

GEORGE AMEDORE June 29, 2017

This morning, at 12:01 am, several ridesharing services launched in communities throughout Upstate New York. This service is long overdue, and I'm pleased residents throughout the 46th Senate District will now have access to another reliable, affordable transportation option. This is definitely a win for the quality of life in our Upstate communities.
