SENATOR JAMES TEDISCO July 20, 2017

Children in Fulton, Hamilton and Herkimer Counties and across the 49th New York State Senate District will have an added incentive to stay safe this summer as Senator Jim Tedisco (R,C,I,REF-Glenville) is partnering with local officials and businesses and 17 area police departments to launch the 2017 Safe Summer Bike Helmet program.

To celebrate the 20th anniversary of the public safety program and the first time that it's been implemented in Fulton, Hamilton and Herkimer Counties, Senator Tedisco today scooped free ice cream cones donated by Stewart's Shops for kids at the Village of Mayfield's summer recreation camp. Tedisco was joined at the Paul Nigra Center for Creative Arts in Mayfield by Fulton County Sheriff Richard Giardino, Herkimer County Sheriff Christopher Farber, Gloversville Police Chief Marc Porter, Village of Mayfield Mayor Jamie Ward and Gloversville County Supervisor Charlie Potter.

This year's Safe Summer Program will distribute 5,000 "good tickets" for free ice cream cones to reward children who wear their helmets while bicycling, skateboarding, and rollerblading, and give free bike helmets to kids who need one.

Tedisco's program uses positive reinforcement to get all neighborhood kids into the habit of wearing their helmets for safe biking and promotes positive interactions between children and law enforcement. The Safe Summer program is made possible thanks to donations from participating businesses: **Stewart's Shops, Friendly's, Hayner's Ice Cream Hall of Fame in Halfmoon and Ben & Jerry's**. The law firm of **Martin, Harding and Mazzotti LLP** is donating hundreds of new bike helmets to police departments in the 49th Senate District to distribute to children who need them.

"Summer is the season for kids to have fun but we can't ever forget that they need to keep safety in mind. I want children to enjoy the summer but I also want them to be safe when they're riding their bicycles. My Safe Summer program reminds kids to wear their helmets while rewarding good behavior with coupons for free ice cream," said Senator Tedisco. "This program is a true community partnership among businesses, law enforcement, government and parents and it's truly a model for how caring people can come together and promote a fun and safe environment for children. Safe Summer also provides positive interactions between law enforcement and kids."

It's the law in New York State that children up to age 14 must wear a bicycle helmet or parents could face a \$50 fine. According to the [New York State Department of Health](#), an average of 54 New Yorkers are killed each year in bicycle crashes and 19,000 residents are treated at a hospital due to bike-related injuries. Head injuries are the leading cause of death and permanent disability in bicycle crashes, accounting for more than 60 percent of bike-related deaths. The cost of a bicycle helmet is approximately \$20.00. The average charge for a hospital stay due to a bicycle related brain injury is \$23,000 with an average length of stay of four days. In New York, annual hospitalization charges related to care for persons with a bicycle related brain injury is \$20 million.

The Safe Summer Program aims to address these alarming statistics by using positive reinforcement to get all neighborhood kids into the habit of wearing their helmets for safe biking, in-line skating, or riding a skateboard or scooter.

“Senator Tedisco's Safe Summer Bike Helmet Safety Program is an excellent program for several reasons. They include promoting safety while bike riding, reducing injuries to young people and improving relationships between law enforcement and children in the communities we serve. I thank Senator Tedisco, Stewart's, Friendly's, Martin, Harding & Mazzotti and all the sponsors for making the program a success,” said Fulton County Sheriff Richard C. Giardino.

“The Safe Summer Bike Helmet Safety program is an innovative way to encourage young people to wear their bike helmets that Senator Tedisco has brought to Fulton County and the Mayfield Summer Recreation Program. As Mayor of the Village of Mayfield and as a District Manager for Stewart's Shops I'm proud to join Senator Tedisco to implement the Safe Summer initiative here in Fulton County,” said Village of Mayfield Mayor Jamie Ward.

“Senator Tedisco continues his dedication to safety. This is a great program with strong community support! As Gloversville Supervisor, I truly endorse the Senator’s commitment to keeping children safe,” said Gloversville Supervisor Charlie Potter.

“We are proud to expand our partnership with the Safe Summer program, and continue to encourage kids to wear those helmets. Ice cream is a great reward, no matter what flavor you choose!” said Maria D’Amelia, Stewart’s Shops spokesperson.

“Senator Tedisco’s Safe Summer Program is a great program and we’re proud to be part of it. Getting helmets in the hands of children who need them and raising awareness about bicycle safety plays a vital role in protecting individuals in our communities, both young and old. Summer is a great time of year, we want everyone to be able to enjoy it to the fullest and if we can play a small role in that, we’re honored to do it,” said Paul B. Harding, Managing Partner.

“Martin, Harding & Mazzotti LLP is proud to once again support Senator Tedisco’s Safe Summer Program. Our firm sees first-hand the life changing effects that a brain injury can have on those injured and their families. It’s our hope that by providing free bike helmets we can help raise awareness for bicycle safety and make our communities a safer place for everyone,” said Daniel P. Dagostino, Supervising Attorney.

Participating police departments that will distribute free ice cream coupons and bike helmets to kids include: **Fulton County Sheriff, Hamilton County Sheriff, Herkimer County Sheriff, Gloversville Police, Johnstown Police, Saratoga County Sheriff, Schenectady County Sheriff, Glenville Police, Clifton Park Town Security, Saratoga Springs Police, Ballston Spa Police, Scotia Police, Galway Police, City of Schenectady Police, Niskayuna Police, Stillwater Police and Rotterdam Police.**
