Senator Elaine Phillips Tours Belmont Child Care Association

ELAINE PHILLIPS July 26, 2017

Senator Elaine Phillips toured the Belmont Child Care Association in Elmont earlier this week. The non-profit association provides child care and early childhood education to Belmont Park's backstretch workers. Belmont Park is one of Long Island's largest employers with over 1,200 employees.

"The Belmont Child Care Association strives every day to provide the children of backstretch workers with an environment that is safe, supportive and sparks a life long love of learning" said Senator Elaine Phillips "I want to thank Board Chairman Michael Dubb, Executive Director Joanne Adams and all the staff for a great visit."
