HURRICANE HARVEY DONATION DRIVE

ELAINE PHILLIPS September 1, 2017

Here on Long Island, we know all too well of the devastation and destruction that major hurricanes, and their aftermath, can cause our families, homes, businesses, and communities. The thoughts and prayers of all New Yorkers are with our fellow Americans now coping with the unprecedented and catastrophic flooding caused by Hurricane Harvey. The imagery coming out of southeastern Texas is heartbreaking, and although we are thousands of miles away, there are ways to help during this disaster. Please consider donating desperately needed goods to this donation drive.
