| ISSUE: **WOMEN, WOMEN'S HEALTH, HEALTH**

I was pleased to help raise awareness to end Ovarian and Gynecologic Cancers at the 10th Annual Ovarian and Gynecologic Cancers 5k. One in 75 women will be diagnosed with ovarian cancer in their lifetime. We can help put an end to these terrible diseases by raising awareness to the importance of early detection and action. Many thanks to everyone who came out in support and donated to this important cause.
