Ranzenhofer supports efforts to repeal SAFE Act

LeRoy, NY - Senator Michael H. Ranzenhofer joined 70 members of local gun clubs to fire one shot in protest of the SAFE Act- an unjust infringement on the constitutional rights of law-abiding gun owners.

In 2013, Senator Ranzenhofer voted against the law, and he has been working to repeal it ever since. He is also supporting efforts at the Federal level to discard major parts of the misguided measure.
