Senator Elaine Phillips Tours The Nassau County Museum Of Art

ELAINE PHILLIPS October 5, 2017

Senator Elaine Phillips recently toured the Nassau County Museum of Art in Roslyn Harbor.

“We are fortunate to have one of the nation's largest, most important suburban art museums, the Nassau County Museum of Art, right here on Long Island in Roslyn Harbor. I greatly enjoyed my recent tour, including viewing the architecture and contemporary art in the Arnold & Joan Saltzman Fine Art building, as well as the “New York, New York” exhibition.

“I encourage residents to attend and view the wonderful major rotating exhibitions, the permanent collection, sculpture park and walking trails,” Senator Phillips said.

The Nassau County Museum of Art will be opening a state-of-the-art Manes Family Art & Education Center, which will serve as an art education and exhibition space for its visitors. For more information please visit: www.nassaumuseum.org
