Senator Serrano joined Governor Cuomo and elected officials from all over New York in announcing the Statewide Empire State Relief & Recovery Effort for Puerto Rico. The effort brings together a wide range of civic, business and industry partners to provide needed services, goods and funds to help the people of Puerto Rico recover and rebuild, and provides opportunities for New Yorkers to contribute to the relief efforts.

“I was proud to join Governor Andrew Cuomo, and many of my colleagues in government and leaders in the fields of sports and entertainment, at an event at the Javits Center where the Governor outlined additional and meaningful ways to assist the recovery efforts in Puerto Rico. Our thoughts and prayers are with the people of Puerto Rico who are still living without power and basic necessities due to the mass destruction caused by Hurricane Maria.”
