Constructive Dialogue at Medgar Evers College Stakeholders Breakfast

JESSE HAMILTON November 2, 2017

| ISSUE: **COMMUNITY**

Constructive dialogue at Medgar Evers College Stakeholder Breakfast. Medgar Evers College, is an anchor for African American political, intellectual, and spiritual leadership in Brooklyn. I am proud to be part of the vital tradition this legislative breakfast represents. Always glad to have the opportunity to meet with stakeholders from across our community and discuss how we can move forward together.
