Clean Energy for New York: Microgrids Hearing

JESSE HAMILTON December 5, 2017

| ISSUE: **ENERGY, RENEWABLE ENERGY, CLEAN ENERGY, MICROGRIDS, RESILIENCY**

Insightful contributions from NYSERDA and Con Edison at microgrids hearing of this morning. Thanks to my colleagues and thanks to all the participants helping us focus on how we can further New York's renewable energy future. We must ensure New York State remains a clean energy innovator!
