## Senator Elaine Phillips Announces Area Projects Among Winners Of Regional Economic Development Council Awards

ELAINE PHILLIPS December 14, 2017

Senator Elaine Phillips today announced that 10 job creation and community development projects in the 7th Senate District will receive critically important state funding through the seventh round of Regional Economic Development Council awards.

“Funding for these crucial projects will strengthen our local economy, create jobs and expand innovative cultural programs in our communities,” Senator Elaine Phillips said. “It has been a pleasure to collaborate with groups throughout Nassau County, including leaders in business, education, local governments, economic development and planning, to develop a list of job creation projects that achieve our goals of generating jobs and building a strong foundation for future growth.”

A total of \$755 million was awarded statewide, with Long Island receiving \$84.3 million for 98 projects.
