Golden Festival 2018

JESSE HAMILTON January 14, 2018

| ISSUE: **COMMUNITY CELEBRATION, COMMUNITY**

There are thousands of photos today of one of the greatest parties in Brooklyn: Golden Festival 2018. If you have ever organized a party, you know that behind the dancing is an effort that doesn't get photographed. I'd like to pause and acknowledge the dedication of Zlatne Uste Golden Festival organizers. Their passion for preserving diverse cultural traditions uplifts and transforms Brooklyn. Thank you.
