#BlackPantherChallenge

JESSE HAMILTON February 13, 2018

| ISSUE: ARTS AND CULTURE, YOUTH EMPOWERMENT, COMMUNITY EMPOWERMENT, EDUCATION

Empowerment of young people includes many dimensions – we must be sure to include the arts and culture in our efforts. That is why it is my pleasure to partner with community minded cultural institutions seeking to engage young people.

This initiative sharing Black Panther with more young people, in partnership with Reel Works, the Motian Picture Academy, and Museum of Modern Art, stands for inclusion and ensuring all our community's young people can participate in this cultural event.
