

2017-J5670

Senate Resolution No. 5670

BY: Senator MURPHY

COMMEMORATING October 16, 2018, as World Spine Day

WHEREAS, The State of New York takes great pride in acknowledging days of recognition of important issues; and

WHEREAS, October 16th is annually recognized as World Spine Day; and

WHEREAS, World Spine Day began in 2012; organizations from around the world collaborate to recognize this important day; and

WHEREAS, World Spine Day raises awareness about spinal health and spine disorders; and

WHEREAS, World Spine Day also provides a forum for an ongoing discussion about the burden of spinal disorders and the sharing of best practices; and

WHEREAS, World Spine Day further serves to promote an interdisciplinary, collaborative approach to easing the burden of spinal disorders; and

WHEREAS, It is imperative that New Yorkers join their fellow Americans and others from around the world in raising awareness about spinal health and spine disorders; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to commemorate October 16, 2018, as World Spine Day; and be it further

RESOLVED, That copies of this Resolution, suitably engrossed, be transmitted to chiropractic organizations and others involved in spinal care.
