Movies Under the Stars in Park Slope

JESSE HAMILTON June 8, 2018

| ISSUE: **COMMUNITY, COMMUNITY EVENT, MOVIES, BROOKLYN**

Outstanding turnout for our *Black Panther* Movies Under the Stars at Old Stone House in Park Slope. Neighbors from far and wide were represented including, Queens, Harlem, Pennsylvania, and Memphis, Tennessee!

Thanks to our amazing hosts at Old Stone House. Thanks to Brooklyn Borough President Eric L. Adams for always being an outstanding partner in bringing our community together. Thanks to DJ Ty Swag for the tunes. Thanks to our great Zumba instructor Maxie Davis and thanks to Emblem Health for helping us promote health and wellness. Thanks to West

Indian American Day Carnival Association and Brooklyn Pride for helping us celebrate Pride, Caribbean heritage, and community at our crafts table. Thanks to Mike Danza, Kingsborough Community College educator and leader of the One Brooklyn STEAM Pipeline, 3D printing is an excellent way to get our young people learning about engineering, technology, math, and coding – 3D printing in the park, even more so.

Special thanks to everyone in the community who joined us for an amazing evening in Brooklyn!
