

2017-R5909

Senate Resolution No. 5909

BY: Senator FLANAGAN

establishing a plan setting forth a methodology for allocating certain appropriations for the 2018-2019 state fiscal year for services and expenses related to women's health services. Such plan shall be subject to the approval of the Temporary President of the Senate and the Director of the Budget and thereafter shall be included in a resolution calling for the expenditure of such monies, which resolution must be approved by a majority vote of all members elected to the Senate upon a roll call vote

RESOLVED, That pursuant to and as required by moneys appropriated in section 1 of chapter 53 of the laws of 2018 which enacts the aid to localities, local assistance account from the center for community health program for services and expenses related to women's health services. Such funds shall be apportioned pursuant to a plan setting forth an itemized list of grantees with the amount to be received by each, or the methodology for allocating such appropriation. Such plan shall be subject to the approval of the Temporary President of the Senate and the Director of the Budget and thereafter shall be included in a resolution calling for the expenditure of such monies, which resolution must be approved by a majority vote of all members elected to the Senate upon a roll call vote, in accordance with the following
