Statement on Passage of Bill to Lower Tax Rate for Batavia Downs

MICHAEL H. RANZENHOFER June 14, 2018

Albany, NY- The New York State Senate passed Senate bill S7397-A, establishing a more equitable tax rate for Batavia Downs Gaming. Senator Michael Ranzenhofer, sponsor of the legislation, issued the following statement:

“Today the Senate passed legislation to help level the playing field for Batavia Downs. Lowering the tax rate not only protects the future viability of Batavia Downs but returns more revenue to taxpayers across Western New York. I am hopeful that the Assembly will take action on this important legislation.”
