

NEW YORK STATE SENATOR

David Carlucci

Senator David Carlucci's Statement on Family Separation at the Border

SENATOR DAVID CARLUCCI June 18, 2018

| ISSUE: **IMMIGRATION**

"Reasonable people can disagree on how our country should approach Immigration policy. It is unacceptable however, to allow a policy to remove children from their parents and keep them in cages. We are better than this. Our federal government must end this practice immediately."
