Summer at the Subway in Sunset Park

JESSE HAMILTON August 2, 2018

| ISSUE: **COMMUNITY EVENT**

Great Summer at the Subway in Sunset Park yesterday evening. Thanks to all who were able to join us!

It was a great opportunity to chat with neighborhood residents, hear out concerns, and deliver information about important community resources. Special thanks to my interns for their work at Summer at the Subway, this is important work to let our neighbors know about the services available to the community.
