

NEW YORK STATE SENATOR

Kevin S. Parker

Do You Have An Idea That You Think Would Be A Great Law?

SENATOR KEVIN PARKER January 1, 2018

| ISSUE: **LEGISLATION**

Dear Friend:

Government can be defined as the political direction and control exercised over the actions of the members, its citizens or inhabitants of communities, societies and states. What many people do not realize is that you can be, and should be, an active participant in your state and local government.

In this mailing I will detail to you just how you can work with me – your Senate representative – to enact new and meaningful local laws to benefit our community.

As always if you have any questions or comments, I encourage you to contact my office. Everyone can make a difference!

Yours In Partnership,

Kevin Parker
