Statement On The Passing Of U.S. Senator John McCain

SENATOR DAVID CARLUCCI August 27, 2018

"Senator John McCain was a fighter who never stopped serving his country. Few had gone through what he went through as a POW in Vietnam. Following the war, he served with great honor and dignity. While lawmakers do not always agree on policy, he wanted people to see we are more alike than different. My thoughts and prayers are with his family and friends."
