| ISSUE: **INFRASTRUCTURE, INFRASTRUCTURE AND CAPITAL INVESTMENT**

The Blue Cross Arena at the Rochester War Memorial has been a fixture in our community for generations. I joined Terry and Kim Pegula and my colleagues in government this afternoon to announce new renovations coming to the Blue Cross Arena. Funding for this project includes \$3.5 million in state aid that Senator Rich Funke and I secured and delivered. These renovations will help usher BCA into a new era and help attract more shows, concerts and other entertainment options!
