New York State Senator Michael H. Ranzenhofer has secured \$20,000 for the Genesee County Youth Bureau and \$10,000 for the City of Batavia Youth Bureau.

“Our youth have unlimited potential to succeed, and this state investment will turn that potential into reality,” said Ranzenhofer. “As your State Senator, my commitment to the future of our children is unwavering. I’m proud to deliver on that commitment.”

The state funding will help support a safe afterschool environment and structured educational programs that provide youth with homework help, tutoring, skill building and recreational activities.

“Our programs are making a difference by motivating young people to develop a sense of responsibility and contribute to their communities. This funding will be a major boost for our initiatives. I applaud Senator Ranzenhofer for being such a strong supporter of our youth in Genesee County,” said Executive Director for Genesee County & City of Batavia Youth Bureaus Jocelyn Sikorski.

The funding is part of the 2018-19 State Budget. The funding is administered by the New York State Education Department.
