

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

Statement From Senate Democratic Leader Andrea Stewart-Cousins On Dr. Christine Blasey Ford Testimony

[ANDREA STEWART-COUSINS](#) September 27, 2018

“Watching Dr. Christine Blasey Ford testify about the horrific actions and assault she was forced to endure is difficult, but truly important. Recounting this traumatic experience in front of the U.S. Senate Judiciary Committee, and with the eyes of the world upon her, demonstrates her bravery. We have a responsibility to believe survivors and fight so that no more women are forced to endure what Dr. Ford went through in High School and is forced to recount now.”
