Senator Carlucci's Statement On State Education Department's New Monitor For The East Ramapo Central School District

SENATOR DAVID CARLUCCI November 7, 2018

| ISSUE: **SCHOOL FUNDING**

"We must ensure funding in the East Ramapo Central School District benefits the students. This is why stringent oversight by the state is paramount, and why I fought for a state monitor. State monitors in the district oversee finances and provide community transparency. I look forward to working with Dr. Denise Lowe to ensure our children get the best education possible."
