

NEW YORK STATE SENATOR

David Carlucci

Statement From Senator David Carlucci on Being Appointed Chairman of the New York State Senate Mental Health and Developmental Disabilities Committee

SENATOR DAVID CARLUCCI | December 11, 2018

| ISSUE: **MENTAL HEALTH**

q

I thank Leader Andrea Stewart-Cousins for her confidence in me as the next Chairman of the Mental Health and Developmental Disabilities Committee. We must protect our most vulnerable New Yorkers and support our direct care providers through policy reforms and

critical funding. Whether it's combating the opioid epidemic, ending school bullying, reducing gun violence, or helping veterans battling PTSD, these are top issues the committee will address under my leadership."
