Senator Robach Helps Recognition National Human Trafficking Prevention Awareness Month

JOSEPH E. ROBACH January 11, 2019

| ISSUE: **HUMAN TRAFFICKING**

Honored to join the Rochester Coalition Against Human Trafficking in recognition of the month of January as National Human Trafficking Prevention Awareness Month. I have been proud to sponsor and support a number of bills in the state Senate to help protect victims of human trafficking and further punish those who commit these heinous crimes. Thank you to the Rochester Coalition Against Human Trafficking and their partners in advocacy and law enforcement for their work to raise awareness to these unthinkable

actions.
