

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

Statement From Senate Majority Leader Andrea Stewart-Cousins

ANDREA STEWART-COUSINS February 14, 2019

| ISSUE: **AMAZON**

“This is proof of why it is so important to have an inclusive and transparent process from the beginning. It is unfortunate that rather than engage in productive discussions about a major development, Amazon has decided to leave New York. This process was clearly flawed and did not include the affected community nor their legislative representatives until after the deal was signed. This was not the same process that was followed in other areas including Virginia and that is clearly why this deal failed.”
